The floor luminaire ARROCK GRANITE consists of the natural product granite and is available in two different heights. Due to the special choice of material each lamp is unique. With protection class IP44, it is suitable for outdoor use. As an option an earth spike as well as a connection box for safe electrical connection to the rectangular luminaire upright, are available. The connection of the two versions available is made to the 230V mains supply. This luminaire is compatible with bulbs of the energy classes: A - A+
